

Product of the Month! Hydraulic Tanks

We are not only a seasoned supplier of hydraulic tanks, we keep several popular models in stock! See below for a snapshot of our most popular tanks. WIT has over 50 years of experience in the hydraulic distribution & manufacturing industry and look forward to helping you find fast solutions.

At WIT, we do **What It Takes!**

A4000-ST ALUMINUM UPRIGHT - 50 GALLON

Aluminum construction; top tank section built of bright diamond plate, balance bright mill finish; baffled bottom section; (2) 1 1/4" NPT bottom ports (internally diffused); and (2) 2" x 2" x 1/4" mounting rails welded to the tank assembly. Features (1) 1" filtered breather vent in tank top for increased air exchange; (1) filler breather assembly (includes chain mounted 40-micron filtered breather cap with stainless strainer basket and bayonet closure) and (1) ASK-200 mounting kit.

A4500-ST ALUMINUM SADDLE-MOUNT - 50 GALLON

Roll-formed cylindrical aluminum tank, domed ends are die stamped; bright mill finish. Filtered breather vent in tank top for increased air exchange. Filler breather assembly – including 40 micron filler breather cap (chain mounted) with stainless strainer basket and bayonet closure. Three, heavy-duty machined 1 1/4" NPT ports with built-in diffusers. One, 1 1/4" NPT port plug included. AMK-624-C mounting kit includes two, frame-mount, rubber shielded, powder-coated J-brackets and two, rubber-shielded, powder-coated carbon steel strap assemblies.

A3400 STEEL SIDE-MOUNT - 40 GALLON

Steel tank assembly is fully baffled with (2) pre-punched and slotted 2" x 2" mounting angles; (2) 2" NPT suction ports; (2) 1 1/4" NPT return line ports and (1) 3/4" NPT bottom drain port. Tank is powder-coated black. Features (1) filler breather assembly (includes chain mounted 40-micron filtered breather cap with stainless strainer basket and bayonet closure); (1) 2" NPT plug; (1) 1 1/4" NPT plug and (1) 3/4" NPT magnetic drain plug. Oil and temperature level indicator included.
