

Product of The Month! Telescopic Cylinders

We are not only a seasoned supplier of Parkers Commercial Intertech telescopic cylinders, we keep several popular models in stock! We have replacements for Custom Hoist, Muncie, Hyva, and many others. Other popular items we offer are Pin to Pin Mounts, Trunnion Mounts, and complete Wet Kits. Many of these are in-stock and ready to ship or will call! Special orders for SAT series available upon request.

Product Features:

- No air to bleed
- No speedy dry to sweep
- No EPA to deal with
- No more climbing into dirty beds
- Fewer hydraulic repairs
- Completely interchangeable with all manufacturers cylinders
- Size Range from 4" to the largest 9" cylinders
- Reduced weight over standard cylinders with bleeder screws

Value Added:

- Fleets using Parker's high quality cylinders will benefit by saving the labor charges from bleeding cylinders through out the life time of the Dump Bed \$800-\$2400.
- OEM's save a minimum of 1/2 gallon of hydraulic oil to 4.5 gallons of oil on 8" and 9" cylinders. For a trailer manufacturer selling 500 a year this would save \$23,625 a year.
