John Crane Inc. | 6400 Oakton St. | Morton Grove, IL

### Letter of Authorization

---

March 1, 2022

We are proud to recognize WIT/Hydra-Air as the Sole Authorized Distributor of John Crane products in the State of Hawaii. John Crane products include, but may not be limited to, packing, mechanical seals and support systems, couplings, filtration equipment and associated parts.

WIT/Hydra-Air's experience, problem solving skills and commitment to service along with our comprehensive range of products help provide the optimal solution for your application. This helps ensure improved reliability, safety and performance.

For over 100 years, John Crane has been one of the world's leading providers of engineered fluid sealing technology delivering reliable and continuous performance for critical rotating equipment across all process industries. Being a valued and trusted partner of yours, is the goal of WIT/Hydra-Air and John Crane.

We look forward to working with you and please feel free to contact us if you have any questions or concerns.
